Going Woodard

Going Woodard 2.0 is a tale of transformation fought for a better life for themselves and others. A common thread that binds these tales of transformation is personal growth. To make a real, lasting change in action. We must get past our fears and dig into the fountain of knowledge that fuels our passion.

Carol's first two books, The Educator's Dilemma and Going Woodard 2.0 are primarily for educators striving to deliver their message in a multitude of different careers, professions, and industries. Carol's humor and wit fills the pages with a unique accent as you read her words of transformation. Action is the vehicle that drives it across the globe.
